

The *Poudre School District Armed Services Vocational Aptitude Battery* will be offered at **Fort Collins High School** on the mornings of **Friday, Dec. 8th**, and **Saturday, Dec. 9th**. The Friday morning session will consist of the electronic version of the *ASVAB* (90-minute format), followed by immediate results and career exploration. The Saturday morning session, open to all PSD students, will consist of a paper-and-pencil format. (3.5 hour program)

This year, select high schools in the district will be conducting an electronic version at their sites to accommodate student travel restrictions, weekend work, and athletes with prior commitments.

The career exploration program will feature a battery of ability levels, along with a results session aligned with student post-secondary workforce readiness goals. Registration is currently open for interested 10th-12th grade students.

Please sign up in the West Wing to register for the ASVAB on December 8th or 9th.
