Courses in **orange** = Prerequisite or application required

Read description in Course Guide to ensure you meet the requirements.

Teacher Signature **REQUIRED** = Current 8<sup>th</sup> grade subject area teacher signature required

- For Pre-AP options, Math, Science, and World Language courses, the signature/recommendation of your current 8<sup>th</sup> grade subject area teacher is required. We want students to communicate with their current teachers to assure the most thoughtful placement decision.
- For Pre AP Courses FRHS recommends a B or higher in the current middle school subject area, as well as agreement to the homework load, which is typically 3-6 hours per week.
- For Math and World Language FRHS recommends a strong C or higher in the current grade level to be promoted to the next level.

= Remote option available

Check the remote icon if you intend to take the course remotely.

= FRCC Concurrent Enrollment class (Taught @ FRHS)

Students will complete required registration and application paperwork with instructor at beginning of semester.

= CU Succeed class (Taught @ FRHS)

### Important considerations regarding scheduling at FRHS:

- Please choose classes wisely. Staffing and resources are allocated based on your course selections, therefore requests for schedule repairs will be extremely limited.
- Signatures or recommendations for math, science, pre AP, and language classes must be obtained by the student's current 8th grade teacher in the applicable subject area.
- 9<sup>th</sup> grade students are recommended to register for 80 credits, a full schedule.
- FRHS cannot honor requests for specific teachers or periods.
- FRHS cannot guarantee the availability of all electives.
- FRHS must use alternate choices when scheduling conflicts.
- FRHS encourages all students to talk with their parents/guardians, current teachers, and counselors to ensure the most appropriate course selections.
