DOMAINS OF SCHOOL COUNSELING

Counselors manage, deliver, and support programs in three domains per the ASCA (American School Counselor Association) standards:

- Academic
- Social/Emotional
- Career

to support student success at school.

WHO ARE SCHOOL COUNSELORS?

School counselors are certified/licensed educators who improve student success for all students by implementing a data-informed school counseling program.

COUNSELORS HELP ALL STUDENTS:

- Apply academic achievement strategies
- Manage emotions and apply interpersonal skills
- Plan for postsecondary options (higher education, military, work force, etc.)
