

# 2019 Summer College Search Series

## Considering Out-of-State Options

The *ROAR Summer College Search Series* helps high school students and their parents get a head start on their college search. Events take place all along the Front Range June 4-14 and include a 30-45 minute "Finding the Right College Fit" presentation, followed by a 45-60 minute mini-college fair where you can meet Colorado area admissions representatives from out-of-state colleges and universities. [Click here](#) to register in advance, or contact your Colorado-area admissions representative.
