

**FOSSIL RIDGE HIGH SCHOOL
MATH RECOMMENDATION**

The teacher recommended that _____ register for:
Print name of student

Algebra 1	Geometry	Algebra 2
College Algebra	College Trigonometry	Pre-Calculus
Data Analysis and Probability	Discrete Math	AP Statistics
AP Calculus		

for the 2015 - 2016 school year.

Math Recommendation Variance

Request To Change Course to _____ . This course will replace the instructor recommended course.

If a student and parent elect to take a different class than was recommended, the student and parent must acknowledge and follow the guidelines listed below:

- Student and parent understand that requesting a schedule change to a lower level math course after the semester has started (i.e. Pre-Calculus to College Algebra) will not be permitted if a variance has been signed.
- Variance requests must have parent and student signatures.

 Student Signature Date
