

PSD High School Credit for Middle School Courses Opt-Out Form

Students/Parents may choose to **NOT** receive HS credit for qualifying middle school courses.

Qualifying credit and grades for approved courses are automatically generated at the end of the school year. When a student transitions from middle school to high school, the grades will appear in the student's grade history for review and consultation with the student's high school counselor.

The window for declining HS credit begins the FIRST DAY of a student's ninth grade school year and ends the LAST DAY of a student's ninth grade school year.
