This list provides suggestions for students who intend to transfer to a 4-year college or university in Colorado. Students may enroll in other classes, as long as they meet prerequisites (if applicable) and have high school approval. Students are strongly encouraged to meet with an FRCC academic advisor before or during their first semester in the Campus Select program.

Course descriptions are available online at: <http://web1.fronrange.edu/catalog/4650.htm>

Guaranteed Transfer classes will transfer to public, 4-year colleges and universities in Colorado. They may not transfer out-of-state, and they may not apply toward every degree program. For more information about the Guaranteed Transfer program, including a full list of courses, please visit: <http://www.fronrange.edu/graduation-and-beyond/transfer-out>

PR: prerequisite test score needed to enroll
